

The Restaurant Table Leaf

Instructions:

1. Place two tables about 18 inches apart.
 2. Locate part (A). Part (A) is the piece with two small holes.
 3. Place part (A) on the tables as seen in the illustration below.
-

4. Go to the opposite side of the table and place part (B) on the table so that it overlays and rests on part (A).
 5. Cover tables and leaf with table cloths.
